

Liberty Prep Update School Schedule 2020-2021 at 229 Midway Lake Road New Year, New Location!

We are so excited about coming back to school for the 2020-2021 School Year! We've had such an incredible response to the upcoming year, mainly from you all spreading the word about Liberty Prep. We have record enrollment numbers, and many of our classes are completely full. It is an incredible time to be a Liberty Prep family.

We have been working diligently with our building team and contractors to make the final preparations. We are down to the final electricity installment, equipment testing, paving, permitting, extra safety precautions, playground installation, and classroom preparation. It sounds like a lot, but we are very, very close!

As it turns out, we are just a tiny bit shy of reaching our initial start date. Honestly, in the midst of a pandemic, quarantine, a spring that produced over 20 inches of rain, and the development of an almost \$9 million project, being off by 7 school days isn't too bad! Praise God!

So, enjoy your summer just a little longer...isn't that really every student's dream!?
